Motion #2

Motion to The Court To get A Resonse From the  
COURT.

I Am Daniel S. Murray the Above Plaintiff.  
I hand wrote A Show cause And wrong doing's motion.  
on this case that was 12 pages And sent it out To The  
courts. I have not herd nothing At All on this case. This  
was About 3 weeks Ago. I Also put Remedies in the case.  
I Am The Victim Here in this case. Who's money got  
taken out my Account in Green Haven prison And I got  
stabbed 4 or 5 different Times I got left in the same  
cell I Asked for Help several times. There is Report  
on camera with Audio and I signed Documents  
Requesting Help for my self over 20 times. Every  
Time I Asked for Help Sargent fox would in fact Show  
UP. And Deny all Request I wrote mark miller the  
warden He Also came to talk to me several times.  
I Told Inmate Accounts several times That The  
Checks That they were sending out was not my  
doing's And it Also was not my hand writing or  
was it my signature. And further more it was not  
Higher ups on several of The Disbursement's That  
were over 100 needed to Be signed By A Sargent  
or A Higher up And it did not take place  
In fact there was 8 or 10 Commissary Buys →

Case 7:25-cv-04880-CS Document 17 Filed 07/17/25 Page 2 of 5  
I Wake up 300 Plus Every Night And Having Nightmares  
From This I got Severely Injured And Hurt. And There is Camera  
Proof And Paper trail A mile long  
I Never filed out for All for 300 plus Dollars I  
was on the loss of Commissary was not my doing  
And I kept getting Assaulted This All could have Been  
Prevented But They would not even move me off of  
The Block After I got Stabbed all of The Stabbing  
were on Camera And They did Nothing At All to help.  
I got Cut Jumped I Asked to Press Charges And  
I Asked to get out of The Jail They kept me  
there hoping that Someone would kill me, my  
left lung still ~~but~~ hurts me from getting stabbed  
in the chest.

Then I kept filing And re filing papers with  
Your Court And to no Avail No Body got Back to me  
on this. At All. I Am Beginning to think And  
feel That The Defendants got pull in your Court Room  
when I 1st filed Back in August of 2024 (08-15-24)  
is when I filed The case The 1st time. I immediately  
Received Back A notice That March of 2024 Date  
The Same Date you just sent to me The 1st time  
I had Everything Notarized for your Court room  
EXCEPT The Account Information. I Sent The paper  
work out and The paper work never came Back to  
Send to your Court I Did this like 10 or 12 Times So I  
could Prove That I Am Indigent And to lets proceed  
with The case. Then I had To Re file The case entirely  
And I got The proper paper work to your Court this time  
to proceed with The Court.

And I keep asking the Court to please proceed. There is more than enough merit and evidence I have in fact exhausted the grievance as a matter of fact due to the nature grievance officer told me to go ahead and file he rejected my grievance told me he could not file the grievance due to he had to let inmates know all grievances and could not keep them discrete in nature. And there is different Defendants in this case as well. In the last case I filed I have had (4) officer Sargents names on the

1983 lawsuit for the Defendants Now I have decided to go after the Defendants that are solely responsible and for the defendants who in fact harmed me and injured me over a few thousand dollars that was in my account. (mind you out of the \$7,686.32 I only spent (1) \$67.00 commissary buy and that was it they wanted me to

confess to me & also spending 2 separate (200.00) trans- transactions sending money home that I never did and my signatures are not on any of the disbursements. I told inmate accounts for 14 weeks straight stop sending my money to the lady in New York City and gave the name that was on my disbursements told them to stop transacting. There was (1) 800.00 disbursement filled out to someone this is the disbursement that not even a Sargent signed and it went out of my account. And from me having the investigation

started on this is when all of the stabbing  
 (page 3 of 4) RealBata page

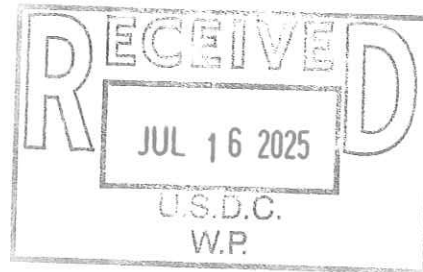

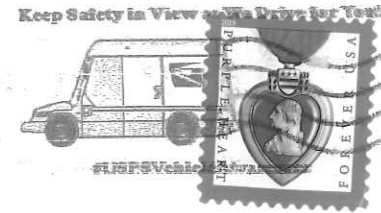

took place I got Injured Real Bad I Almost got  
killed And This All could have Been Stopped As A matter  
 of fact The (I.P.C) Rule if You get Stabbed or  
 Cut you Automatically Supposed to get put into (I.P.C)  
 Not me I can tell you That much I Had Asked And  
 Asked to get it done They would not help me At All  
 They kept putting me in harms way They left me  
 in The Same Cell on the Same Block After they had  
Stabbed me. And Sargent Fox Solely Responsible  
 for All This So wasn't mark Miller the Warden  
 of Green Haven I kept Asking For Help And  
 to No Avail Nothing got Done They only Injured  
 me more And Tried to kill me. I wrote your  
 Court Back on this to get Everything filed correctly  
 So we can proceed with This case. Now I am  
 nearly Asking for this case to Have Been resolved.  
 I Asked for A magistrate Judge on this case. And  
 I let you know for some reason or Another you have  
 the wrong Date of filing The (03-18-2024) Date is more  
 then wrong. I Refiled Back (6) Times on this case (6)  
 times on this case Before I heard Anything. I  
 think Someone played with the mail in the prison  
 And I filed on the Street when I got released And I filed in  
 Floridastate And I filed (6) times Here then you finally  
Responded. Now I am telling you Again my Address Has  
 Changed And I want to Have A magistrate Judge to do  
 A Settlement conference on this case please Honor the  
 Request. Respectfully yours, Daniel S. Murray
